# FORUM

BROUGHT TO YOU BY

A full day of networking, learning, and access to resources - all targeted to support the Central Coast's future, new, and current small scale food producers. Be a part of building our region's food system!

## FIRST OF ITS KIND CENTRAL COAST FOOD FORUM!

**October 25th (ticketed)  
6pm to 9:00pm**

Support small farmers by celebrating their local successes and accomplishments! This ticketed sit down dinner will be sourced from local small farmers/producers. Enjoy a fun evening at the college on the terrace.

**October 26th FREE  
9am to 4pm**

Workshops designed for small and startup agricultural producers. Opportunities to network, increase your bottom line through equipment sharing, connect to institutional supply opportunities, and expand customer reach. On-site demonstrations of emerging technologies and collaborative practices, off-site informational tours, and more.

**Arrive curious and leave empowered!**

## Attendance is free!
